Revenue Commissioner.

OFFICE MEMORANDUM.

No. R. 4500—Agri. 101-08-2, dated 8th January 1909.

The prospectus of the Cochin State Agricultural and Industrial Exhibition and Cattle Show, 1909, to be opened at Viyyur, Trichur, on the 1st February 1909 is hereby published for general information.

By Order,

K. S. CHANDRASEKHARA AIYAR,
Secy. to Govt., Gen. & Rev. Depts.

THE

COCHIN STATE AGRICULTURAL AND INDUSTRIAL EXHIBITION
AND CATTLE SHOW, 1909.

PROSPECTUS.

It is proposed to hold an Exhibition of Agricultural and Industrial products and a Cattle Show in the Government Farm at Viyyur, Trichur, between the 1st February 1909 to 5th February 1909, both days inclusive.

2. *Object of the Exhibition.*—The primary object of the exhibition is to bring together agricultural and industrial products, and machinery, etc., the use of which, it is desirable that the raiyat and artisan should understand. The Cattle Show is intended to give to the raiyats an idea of the several species of cattle in and out of the State and thus to promote improved methods of breeding.

3. Lectures will be delivered by competent persons in Malayalam on subjects connected with industry and agriculture, improved implements, etc. Demonstrations will also be arranged.

4. Exhibits are generally divided into (1) samples and (2) exhibits for sale.

The several groups and classes of exhibits which will be admitted for the exhibition are given in the appendix.

5. Arrangements are made to promote competition and to induce raiyats, etc., to exhibit the best products available by awarding prizes, to the value of Rs. 1,500.

The appendix gives the amount set apart for prizes under each group of exhibits.

The number and the value of the prizes to be awarded for each class of exhibits will be decided by a committee of Judges with reference to the quality, etc., of the exhibits received.

6. Exhibits, etc., which, are the *bona fide* agricultural and industrial products of the State, will be given special prizes as seen in the appendix. All exhibits will compete for the general prizes.

7. *Plan of exhibition grounds and buildings.*—The exhibition grounds and buildings will be divided into several stalls. Separate stalls will be provided for samples and exhibits for sale. Special arrangements will be made for the cattle show yards.

Outside the cattle show yards will be held a cattle fair in which sales can be effected.

8. No fee will be charged on exhibits of any kind or for the space allotted for exhibits. Nor will any fee be charged to exhibitors and visitors. This concession will, it is hoped, enable the actual cultivators and artisans to take part in the exhibition.

The Government invite exhibits from all portions of the State as well as from outside. It is hoped that the agricultural and industrial associations and other public bodies will help them with exhibits and suggestions for carrying out the intentions of the Government.

9. The Government will accept donations for special prizes, etc., from individual raiyats or associations.

10. *Applications from exhibitors.*—Intending exhibitors should apply to the Agricultural Superintendent of the State, Trichur, before the 1st of January 1909. In this application they must give full particulars of their exhibits and the group, etc., under which they fall. Information whether covered or open space is required, should also be given.

11. Any exhibits not falling under the groups, etc., as per appendix will also be admitted at the discretion of the Dewan Peishkar.

12. Meetings of the leading raiyats of the various taluks will be convened as early as possible to give them a clear idea of the object and scope of the exhibition so that they may avail themselves of the opportunity afforded for their improvement and they may co-operate intelligently with the Government to make the exhibition a success.
